

Ministry and Care Report July, 2026

Ministry and Care met on Zoom on July 10, 2026. Denise, Rebecca, Pat, Judy, and Julie attended. We sat in worship and discernment with a visitor for the first part of the meeting; he wanted to learn more about us as he thinks about his relationship to our Quaker Meeting and to us as Quakers.

August query:

How do we strive for a meeting that is alive with the power and presence of the spirit?

There are first aid kits in two locations at the meetinghouse: on a shelf in the bathroom of the children's room, and in a drawer under the microwave in the community room. Both have been reviewed and restocked.

Ministry and Care supports the idea of moving forward with the Quaker Earthcare Witness Day of Action on September 19.

Emily Provance, a traveling minister whom we are hosting, will be presenting a number of sessions of her program at the meetinghouse in August. We would like to provide a Friend to attend each session to hold Emily in worship as she presents; people can sign up on the "Roles for Emily's Visit" clipboard.

Pat Sweet is leaving Ministry and Care to serve on another committee; we will miss her friendly presence and valuable contributions.

We discussed concerns for friends.

Our next meeting will be Thursday, September 3 at 6:30 on Zoom.
